PATENT ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

MS Petition
Commissioner for Patents

Dear Sir:

Applicants in the above-identified patent application have received a Notice of Abandonment, dated September 5, 2006, copy enclosed as Exhibit A, advising that the application is abandoned due to Applicant's failure to timely respond to the Final Office Action mailed July 1, 2005.

For the reasons set forth below, Applicants believe that the Notice of Abandonment is in error or due to actions by the U.S. Patent and Trademark Office (USPTO) and should be withdrawn.

It is believed that the evidence submitted herewith is an adequate showing that the Notice of Abandonment should be withdrawn.

STATEMENT OF THE RELEVANT FACTS

A response to the Final Office Action was filed September 29, 2005. An Advisory Action was mailed October 21, 2005 noting that the Response did not place the application in condition for allowance. On December 23, 2005, a Notice of Appeal, a Request for a Pre-Appeal Brief Request for Review, a Pre-Appeal Brief, a petition for a three month extension of time with the requisite fee and a return postcard were filed. A Notice of Panel Decision from Pre-Appeal Brief Review (the "Notice") was mailed March 20, 2006 and is attached herewith as Exhibit B.

The Notice indicates that a:

Pre-Appeal Brief conference has been held. The Application remains under appeal because there is at least one actual issue for appeal. Applicant is required to submit an appeal brief in accordance with 37 CFR §1.37. The time period for filing an appeal brief will be reset to be one month from mailing this decision, or the balance of the two-month time period running from the receipt of the notice of appeal, whichever is greater. Further, the time period for filing of the appeal brief is extendible under 37 CFR 1.136 based upon the mail date of this decision or the receipt date of the notice of appeal, as applicable.

Applicants note that two months from the mailing of the Notice of Appeal is February 23, 2006 and one month from the mailing of the Notice is April 20, 2006. Since April 20, 2006 is the greater of the two terms, the response date is controlled from the mailing of the Notice. Further, extensions of time are governed by 37 CFR § 1.136, the relevant part states:

(a)(1) If an applicant is required to reply within a nonstatutory or shortened statutory time period, applicant may extend the time period for reply up to the earlier of the expiration of any maximum period set by statute or five months after the time period set for reply, if a petition for an extension of time and the fee set in Sec. 1.17(a) are filed.

Thus, the period of response can be extended five (5) months past the period set for reply. The reply date set by the Notice and calculated above is April 20, 2006. Thus, the maximum period to reply ends September 20, 2006. Since the Notice of Abandonment was mailed September 5, 2006, it was improperly mailed and Applicants request that the holding of Abandonment be reversed and the present amendment, being timely filed with this petition, be entered.

The Director is authorized to charge any fees due in connection with this Notice of Appeal to Deposit Account No. 04-0100.

CONCLUSION

Applicants respectfully submit that the present application is not abandoned and the enclosed Response is complete and timely filed on September 19, 2006. Applicants submit that the response date was miscalculated by the USPTO and respectfully submits that no petition fee is due and request that the holding of abandonment be withdrawn.

Dated: September 19, 2006

Respectfully submitted,
